

CHI WOW WAH TOWN 2019

Blessed puppers are we to be guests on Our Friends Farm and join in cosmic ceremony for 3 full days of music, art and dance.

Please do note that there are some dog house rules which have been put in place for minimal impact of the natural environment, community & neighbours not to mention for the safety of each other & ourselves! We are committed to a sustainable party policy. Our goal as a community is to reduce waste and promote sustainable recreation.

DON'T PUPPY RULES

- No Fires • No Pets • No Antisocial behavior
- No Amplified music in campsites / parking areas
- LEAVE NO TRACE, TAKE YOUR TRASH WITH YOU

BOOZE RULES (SORRY YO)

We have been able to negotiate a unique situation that allows patrons to BYO alcohol into the entertainment area for personal consumption. This means upto a six pack or a 2 litre cooler / drink bottle per person. Leave your 50 litre eski at the campsite. Large eskys, drink coolers larger than 2 litres and of course or any glass may not be taken into the entertainment area.

WHY? Two reasons:

- 1) We are operating within a licensed venue and your safety is legally our responsibility, especially while you are in the entertainment area. Excess alcohol can lead to unnecessary intoxication, health risks and anti social behaviour.
- 2) All of the bars at CWWT contribute the festivals ability to exist. CWWT is depending on everyone to buy a couple of drinks at the least. Bar prices will be the in line or cheaper that your local pub, served with love.

RESPECT THE LAND ACKNOWLEDGEMENT

Chi Wow Wah acknowledges the Taungurung people, the traditional custodians of the land on which we gather, and we pay our respects to them, their culture and their Elders past and present. We temporarily build this town on stolen land, sovereignty has not been ceded and treaty is yet to be made.

We leave no trace, we leave respect

LEAVE NO TRACE! TAKE YOUR TRASH WITH YOU

SOUND CURFEW DOGGO NAP TIME!

CHI WOW WAH TOWN is primarily a day event to enjoy in the sunshine!

Due to venue permits, amplified sound will run until 1am.

Our Boombox Disco and bonfires will run from when the stage closes at 3am.

This gives all the perfect opportunity to get plenty of rest to be up bright & early with tails wagging to enjoy the full day's activities.

CAMPING KENNEL TIME

Camping in Wow & Wah, requires parking in the designated carpark & carrying camping gear a short distance.

Chi is a large area, a little further from the party area, for all vehicle camping.

THIS IS A NO-PHOTO ANTISOCIAL(MEDIA)EVENT

We still dance like nobody's watching. Live the moment.

No photos. and don't ever, upload video of someone enjoying their time without their consent

THE RAVE IS THE SAFE SPACE

We're all here for a good time.

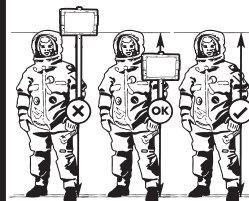

If you see someone not having one, help them out.

If you see someone ruining someone's, find security we'll kick em out.

We are inclusive, we are alternative, we are diverse. If that's not you, that's cool. But that is us, be cool with it.

Rave is a lifestyle. Ice/ghb are an end-your-life style. Just don't.

ATTENTION YOU MUST BE THIS SHORT TO RIDE THE DANCEFLOOR

If you must hold a stick, respect the visual production and keep it out of line of sight.. and keep it classy...

BONUS! hands-free dancing is rad
